💼 Work Experience(2020)

- Thrindle Startup (Ecommerce) : Lead Backend Developer
- Nodejs, Mongodb(Mongoose), Redis, Bull js, Socket.io, Paystack, Git, Github
- An ecommerce startup in nigeria
- Built REST API services that handled, multi-user type authentication, real time messaging and notification services, payment and wallet services among others to MVP phase and got a $26 million series A investment.

💼 Work Experience(2022)

- AnchorJeti Startup(Marine Services) : Lead Backend Developer
- Nodejs, Mongodb(Mongoose), Redis, Bull js, Socket.io, Jest, Paystack, Git, Github(actions), AWS
- A specialised ecommerce application for the marine and oil sector in nigeria
- Successfully Built REST API microservices using the Test Driven Development approach, that handled, multi-user type authentication, real time messaging and notification services, payment and wallet services...

💼 Work Experience(2020 Till Date)

- Syntax Imagination (Payment & Cloud Services) : Fullstack JS Developer
- Nodejs, Mongodb(Mongoose), Redis, Bull js, Socket.io, Jest, Paystack, Git, Github(actions), AWS, React, Node Webkit
- Boxedall(Cloud hosting platform) & Shockinflux(Payment Gateway) in nigeria
- Built REST API microservices for user creation, configuration and purchase of cloud services for the Boxedall platform. Also successfully implemented services for the integration of bank APIs for the payment gateway Shockinflux which is being used by Winners Chapel and Convenent University

🎓 Education(2016 - 2019)

Crawford University, Ogun State from 2016- 2019 Bsc. Computer Science(First Class Honors).
I was the school's Student Council Chairman and also the President of my Department

🎓 Education(2011 - 2013)

Dalewares Institute of Technology, Lagos State 2011- 2013 OND. Software Engineering(Second Class Upper).

🏖 Interests

I love music and was also the lead vocalist and guitarist of a local band in my neighborhood. I also have a couple of personal projects in gaming and advertisement that I work on. I love to travel and I love good movies
